

CALBG - Planting With Natives - Plant Guide

Wildflowers

- Grow well in clay & rocky slopes
- Low to Moderate water needs
- Moderate to Full sunlight
- Grow well from seed
- Container-friendly (More frequent watering)

Herbaceous Perennials

- Upright / Mounding Shrubs*
- Low-growing, Sprawling Shrubs*
- Can be Succulent or Rosette-like
- Great ground-cover options
- Low-maintenance, pruning optional

Woody Perennials / Trees

- Medium to Large Shrubs*
- Grow tall and cast shade
- Long-lasting
- Cornerstone plants
- Light, seasonal pruning optional
